

IndPay Android Version : 3.1.2

New Features added

- Introduction of Easipay functionality. With Easipay functionality, now our customer can send money to IndianBank / Other Bank without adding beneficiary up to a maximum of Rs. 5000 per day.
- Inapp SIM selection facility for sending SMS during registration.

EasiPay option in IndPay is introduced for providing ease of use to our customers for low value fund transfer, wherein the customer can transfer funds without adding a beneficiary. Customer can do interbank and intra bank transfer of funds without adding a beneficiary subject to a maximum of Rs.5000/- per remitter per day.

An option “Easipay” is available under existing Fund Transfer Menu of IndPay.

Customer can choose to transfer funds to our bank or other bank beneficiaries

Health Insurance, PMJJBY, PMSBY, APY. Other Facilities:

Inapp SIM selection facility for sending SMS during registration process. Registration in dual SIM mobile phones made simple by providing inapp SIM selection facility. App will show the available SIMs with operator name to the customer. Customer to choose the correct operator/SIM loaded with the mobile number which is registered with our Bank. This will enhance the customer experience in IndPay registration process.
