2.11. Evaluation Criteria:

Bid evaluation methodology that Indian Bank shall adopt is given below:

- a) Bidders at First Stage must qualify as per Eligibility Criteria
- b) 30:70 Techno-Functional scoring model will be used for the Technical evaluation. The total marks scored by the eligible bidders as determined by the Bank under Technical Requirements will be given 30% weightage and shall be called Weighted Technical Score (WTS). The Total Weighted score for presentation as explained below will be given 70% weightage and shall be called Weighted Functional Score (WFS).
- c) Scoring in the Technical Evaluation: The Bidders, who comply with Bank's technical specifications and other terms and clauses of the RFP document

as explained in above points, will be awarded marks. The bidders are expected to submit sufficient supporting details along with all documentary evidence records in their technical competency for enabling the Bank for objective evaluation and scoring in the Technical Requirements. The Bidders themselves shall not fill in any score in Technical Requirements. Evaluation and scoring process will also involve independent verification by the Bank of the details submitted in the Bid Document.

- d) After scrutiny of the Technical Bid document and supporting documents, and responses to various Technical Evaluation points, scoring of marks will be done therein against bids of shortlisted bidders as explained above. The total marks in the Matrix scored by the bidder will be called Technical Score.
- e) The marks obtained in Technical Evaluation will be given a weightage of 30% which will be termed as "Weighted Technical Score" (WTS) and shall be arrived at as under:

Weighted Technical Score (WTS): $(TA/TB) \times 30$

TA: Technical score of the respective Bidder

TB: Highest Technical Score of all qualified Bidders

The total marks of 100 as per technical evaluation criteria (Evaluation and Assessment Matrix) will be scaled down to 30 marks as furnished below.

For Example: If there are two bidder's "A" and "B" who score 40 and 80 marks respectively, their "WTS" would be as under:

$$\text{Bidder "A"} = 40 / 80 \times 30 = 15 \text{ marks,}$$

$$\text{Bidder "B"} = 80 / 80 \times 30 = 30 \text{ marks}$$

- f) All the eligible bidders then shall be called for presentation/demo after Technical Evaluation.
- g) For the evaluation of presentation/demo, Weighted Functional Score (WFS) will be computed by assigning 70% weightage using the formula,

Given below as part of Techno-Functional Evaluation Process:

Weighted Functional Score (WFS): $(EA / EB) * 70$

EA: Eligibility Score of the Bidder obtained in Presentation

EB: Highest Eligibility Score obtained by any qualified Bidders

Extending the example given above, in case Bidders, Bidder "A" and "B" for example awarded as 70 and 80 respectively after their presentation, then the WFS in their case would be calculated as under:

$$\text{Bidder "A"} = 70 / 80 \times 70 = 61.25 \text{ marks}$$

$$\text{Bidder "B"} = 80 / 80 \times 70 = 70 \text{ marks}$$

- h) The total of Technical and Functional Scores (Presentation) of each bidder will become basis of final ranking of bidders. Bidder whose total of Technical & Functional Scores is highest will be as "H1 Bidder" and bidders with second & third highest final scores will be ranked as "H2"

and "H3" and so on and so forth.

$$\text{Total Score H1} = (TA / TB) * 30 + (EA / EB) * 70$$

In above examples, the Total Score after Techno-Commercial evaluation (H1) of Bidders "A" and "B" will be as under:

Bidder	Weighted Technical Score	Weighted Functional Score	Total Score
A	15	61.25	76.25
B	30	70	100

Total Marks Bidder "A" = 76.25 marks- H2 Bidder

Total Marks Bidder "B" = 100 marks- H1 Bidder

- i) All bids shall be evaluated by a Project Evaluation Committee (PEC) set up for this purpose by the Bank. The evaluation shall be based on technical competence-Management and Corporate Governance, Financial Strength and Human Resource Management and the Functional Competence. The Technical and the Functional Evaluation shall have the weightage of 30% and 70% respectively, and this weightage shall be taken into consideration for arriving at the Successful Bidder. The assessment methodology and format are covered in the next section.
- j) Thus, the proposals will be evaluated in three stages.
 - Phase 1 - Eligibility cum General Evaluation Criteria
 - Phase 2 - Technical Evaluation Criteria
 - Phase 3 - Functional Evaluation Criteria
- k) The Minimum Total score consisting Technical and Functional Score must be 75 marks or more for empanelment/selection of Bidder as CBC with Bank.
- l) A Minimum cut off 75 marks required for the Bidders for selection/empanelment consisting of both Technical Score and Presentation/Demo. Bank reserves the right to accept or reject any technical bid without assigning any reason thereof. Decision of the Bank in this regard shall be final and binding on the bidders.
