Subject: Opinion on Non-Applicability of Corporate Governance Provisions

Dear Sir/Madam,

With reference to the subject matter, a detailed query was sought regarding the applicability of Corporate Governance certificate as per Regulation 34(3) and 15(2) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015,

Based on the documents and information provided by the management of Ind Bank Housing Limited (herein after referred to as “Company”), and upon our review and understanding of the same, our opinion in this regard is furnished below:

1. Regulatory Framework

Regulation 15(2) of the SEBI (LODR) Regulations, 2015:

The compliance with the corporate governance provisions as specified in regulations 17, 17A, 18, 19, 20, 21, 22, 23, 24, 24A, 25, 26, 26A, 27 and clauses (b) to (i) and (t) of sub-regulation (2) of regulation 46 and para C, D and E of Schedule V shall not apply, in respect of –

(a) listed entity having paid up equity share capital not exceeding rupees ten crore and net worth not exceeding rupees twenty five crore, as on the last day of the previous financial year

2. Company's Intimation to Stock Exchange

We note that the Company has intimated the Stock Exchange vide its letter dated April 30, 2024, regarding the non-applicability of the Corporate Governance provisions, stating that it meets the exemption criteria specified under Regulation 15(2) of the SEBI (LODR) Regulations, 2015.

3. Review of Financial Position

Based on our review of the relevant documents and representations provided by the management including the net worth certificate dated April 28, 2025, we observe that as on March 31, 2025:

- The paid-up equity share capital of the Company does not exceed ₹10 crore, and
- The net worth of the Company does not exceed ₹25 crore.

Accordingly, the Company qualifies for exemption under Regulation 15(2).

4. Conclusion

Upon detailed analysis of the relevant provisions and based on the representations and documents provided by the management, the following has been noted:

1. The Company qualifies for exemption under Regulation 15(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR Regulations"), which exempts certain listed entities from compliance with specific provisions relating to corporate governance, based on prescribed criteria such as paid-up equity share capital and net worth.
2. The Company has duly intimated the stock exchange(s) of its eligibility for the said exemption and has formally claimed the exemption under Regulation 15(2) for the financial year ended March 31, 2025.

In light of the above, we opine that the requirement to obtain Corporate Governance Certificate under Regulation 34(3) read with Schedule V (Part C, D, and E) of the SEBI (LODR) Regulations, 2015, for the financial year ended March 31, 2025, does not arise in accordance with the exemption under Regulation 15(2).

This opinion is based solely on the records and representations made available by the management of the Company. It is intended for internal reference purposes and does not constitute a statutory certification.

Management Discussion and Analysis Report

1 HOUSING FINANCE SECTOR OVERVIEW AND OUTLOOK

The Indian housing finance sector for FY 2024-25 witnessed continued robust growth, driven by strong housing demand, government initiatives, improving affordability (especially with anticipated interest rate cuts), and increasing urbanization. Housing Finance Companies (HFCs), regulated by the National Housing Bank (NHB) under the oversight of the Reserve Bank of India (RBI), play a crucial role in providing credit to this sector.

The role of Government in enhancing housing supply is a critical factor that affects the availability and affordability of homes and there has been a shift from being provider to being the facilitator of housing. The housing sector is growing due to government initiatives, stable interest rates, and technology integration. Housing demand in Tier-II and Tier-III cities is driven by affordability and infrastructure development. The growth in housing finance is supported by Banks and Housing Finance Companies.

The Government launched a Special Window for Affordable and Mid-Income Housing (SWAMIH) Fund II, This Fund will be established as a blended finance facility with contribution from the government, banks, and private investors. The fund will aim at completion of 100,000 housing units.

The Government of India is committed to reduce emission in the residential construction sector. The Housing Finance Companies are also in object to reduce emission in the construction sector, which is one of the biggest consumers of energy (40 per cent) and green-house gas emission (33 per cent). Green buildings market in India is currently at a nascent stage of development, with only 5 per cent buildings being classified as green. It is essential to take green label to residential housing, more particularly to affordable housing segment and beyond the metros to the Tier II, III cities.

Material Uncertainty Related to Going Concern

We draw attention to Note 13 in the financial statements, which indicates that the Company incurred a net loss of Rs. 30,70,632 during the year ended March 31, 2025. Also, as stated in Note No. 21 (b), these events or conditions, along with other matters as set forth in Note No. 21 (o) (xiii), indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS Financial Statements of the current period. These matters were addressed in the context of our audit of the Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

"RBI vide letter no CO.DoR.RG.No. S3544/23-27-014/2023-24 dated 22.09.2023 cancelled the NHB licence w.e.f 21.09.2023 and the Management surrendered the original Certificate of Registration (CoR) to RBI, Chennai Regional Office on 27.09.2023. 4. Information other than Ind AS Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report, including Annexure to Board's Report, but does not include the Ind AS Financial Statements and our auditor's report thereon. Our opinion on the Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS Financial Statements or our knowledge obtained in the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

5. Responsibilities of Management for Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India,

including the accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the company's financial reporting process.

6. Auditor's Responsibility for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS Financial Statements, including the disclosures, and whether the Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the Standalone Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Ind AS Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Ind AS Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

7. Report on other Legal and Regulatory Requirements

ANNEXURE – C TO THE INDEPENDENT AUDITOR'S REPORT
[Referred to in Para 8(III)(f) of our Report of Even Date]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").

We have audited the internal financial controls over financial reporting of Ind Bank Housing Limited ("the Company") as of 31st March 2025 in conjunction with our audit of the Ind AS Financial Statements of the Company for the year ended on that date.

Management's Responsibility for the Ind AS Financial Statements

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The company is currently not providing any new loans. The credit period of the existing loans have already expired and the company is taking conscious efforts to recover the loans given.

The company has chosen not to follow the Expected Credit Loss Model prescribed under Ind AS 109. The management is of the view that the trend over the past 5 years might not give a correct picture as there were no new loans given and the resultant provision will be very less. Hence, the company has provided almost 100% based on reasonability of collection (case-to-case basis) as these loans are long overdue.

Financial risk management objectives

The company had stopped the business of providing loans to customers and currently operates only to recover the outstanding receivables. The company adopts all business strategies to recover the same and has also provided for those balances which are not recoverable. The company is also recognised as a financial institution, by virtue of which it can recover from customers through SARFAESI act.

Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Majority of the Company's transactions are earned in cash or cash equivalents. The trade receivables comprise mainly of receivables from Corporate customers and Individuals. The Company's exposure to credit risk in relation to trade receivables is considered high as the recoverability is doubtful. However, the company has also provided for such balances in the books.

Interest Rate Risk Management

The company has obtained borrowings from its holding institution (Indian Bank) which, while approving the revival terms, has agreed to convert it to Funded Interest Term Loan and not to charge interest on term loan from 1st April 2017. It was proposed that the same will be converted to Compulsorily Convertible Preference Shares (CCPS). Since the conversion to CCPS was not approved by RBI, conversion of Term loan to FITL did not materialise. But with reference to the MC of Indian Bank's sanction, interest is not charged in the Term loan since 2017 and debt freed at Rs. 129.00 Crore.

Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-term funding and liquidity management requirements. The liquidity management requirements for the company are minimal as there are no operations.

Liquidity and interest risk tables

The company has only one borrowing which is received from its holding institution (Indian Bank). The status of the same is explained under "Interest Rate Risk Management" disclosure.
