The screenshot shows the 'Manage Limits' screen of the IB Credit Card App. At the top, there is a blue header bar with a yellow back arrow, the text 'Manage Limits', and two icons: a person and a power button. Below the header, there are two tabs: 'Domestic' and 'International'. The 'Domestic' tab is currently selected, indicated by a blue checkmark. Under the 'Domestic' tab, there are two input fields: 'Per Transaction Limit' and 'Daily Transaction Limit'. Below these, there is a section for 'NFC' with an orange checkmark icon. Under the 'NFC' section, there are two input fields: 'Per Transaction Limit' and 'Daily Transaction Limit'. Both of these fields contain the value '5000'. At the bottom of the screen, there is a large blue button labeled 'Submit'. Below the 'Submit' button is a numeric keypad with digits 1 through 9, 0, and a backspace icon.
