

IN BRIEF  
Robotic lifebuoys for Vizag beaches

**Visakhapatnam:** In a move aimed at preventing drowning deaths, the Visakhapatnam police will soon introduce robotic lifebuoys at city beaches. A demonstration of the device was inspected by Commissioner of Police Dr Shanka Brata Bagchi along with senior officers at RK Beach near YMCA on Friday evening. The robotic lifebuoy can be remotely operated and travel up to 600 metres into the sea to rescue persons in distress. Police officials said drowning incidents have been reported at 16 locations between Appikonda and Bheemili beaches. Plans are being finalised to deploy the equipment at all strategic points, where trained lifeguards will operate them to improve beach safety.

● **A DEMONSTRATION** of the device was inspected by Commissioner of Police Dr Shanka Brata Bagchi.

# Vaikunta Dwara darshan for all triggers more rush

Officials estimate waiting time at around 20 to 24 hours

DC CORRESPONDENT  
TIRUPATI, JAN. 2

With Vaikunta Dwara Darshan being opened to all devotees, Tirumala witnessed a sharp surge in pilgrim inflow on Friday, leading to heavy crowding across the hill shrine and long waiting hours.

As the rush intensified, the Tirumala Tirupati Devasthanams (TTD) permitted Sarva Darshan devotees without tokens to enter the queue lines from Thursday night itself, much ahead of the scheduled time. Officials said the decision was taken after the inflow of devotees holding pre-issued slotted Sarva Darshan tokens gradually eased.

Vaikunta Dwara Darshans commenced on December 30 and continued smoothly for the first three days, with priority given to token holders.

Large number of devotees wait in queue lines which stretched upto the Outer Ring Road at Tirumala on Friday.

— BY ARRANGEMENT

Entry was regulated through scanning points at Silathoranam, Krishnateja and ATGH routes. With the flow of token-holding pilgrims tapering off by Thursday, darshan was opened to devotees without tokens. Such pilgrims were regulated from the Octopus building point and routed through queue lines along the outer ring road before being shifted to compartments at Vaiku-

ntam Queue Complex-2. According to TTD officials, more than 33,000 vehicles reached Tirumala from Tirupati between December 30 and January 1. A total of 67,053 devotees had darshan on December 30, followed by 70,256 on December 31 and 65,225 on January 1. Hundi collections stood at ₹2.25 crore on December 30, peaked at ₹4.79 crore on December 31, and

amounted to ₹3.63 crore on January 1.

By 5 pm on Friday, about 41,347 devotees had darshan, while over 30,000 pilgrims were waiting in queue lines extending up to the Batangamma temple. Officials estimated the waiting time at around 20 to 24 hours.

TTD additional executive officer Ch. Venkaiah Chowdary said that from Friday, all darshans up to January 8 had been fully earmarked for Sarva Darshan. He inspected the queue lines and Vaikuntam Queue Complex along with officials from various departments.

He said all Arjita Sevas, VIP break darshans and special darshans had been cancelled to give priority to common devotees. He added that all departments were providing uninterrupted services.

Reclaiming and Celebrating India's Ancient Cultural and Spiritual Heritage
